## **Michelle Jablko to Join Greenhill as Managing Director in Melbourne**

New York, October 16, 2013 — Greenhill & Co., Inc. (NYSE: GHL), a leading independent investment bank, announced today that Michelle Jablko will join the Firm in Melbourne as a Managing Director.

Ms. Jablko has more than 16 years of transaction experience, most recently as a Managing Director at UBS, where she has worked for 13 years. At UBS, she has focused on complex mergers and acquisitions for clients across a variety of industry sectors, including financial services, media, transport, resources, gaming, industrials, consumer products and retail. Prior to her time at UBS, she practiced law with Allens Linklaters. She graduated with First Class Honours in Law and Honours in Economics from Monash University in Melbourne.

Scott L. Bok, Chief Executive Officer of Greenhill, said, “We are pleased to strengthen our Australian team with the broad expertise and deep relationships that Michelle brings. The combination of Greenhill and Caliburn more than three years ago has been a great success, both in domestic and increasingly in important cross border transactions. We want to build on that success by continuing to expand the team, particularly at a time when we see the potential for significantly increased M&A activity in Australia.”

Roger Feletto and Jamie Garis, Co-Heads of Greenhill Australia, said, “We see great potential for expanding our presence in Melbourne, and we know as past competitors that Michelle is a highly respected banker in that market, with deep client relationships across many industry sectors and with broad transaction expertise.”

Ms. Jablko will join the Firm in 2014 following completion of her obligations to her current employer.
